**RENEGADES\* CODE OF CONDUCT**

\*Any Corps Member, Staff Member, Board Member or any other sub-organization of the *Renegades Association of California*

***Any violation of this Code of Conduct may result in dismissal from the organization.***

1. Be respectful of everyone within the organization and the drum corps community at all times.
2. Hold the image and reputation of the Renegades Drum & Bugle Corps in high standards at all times. Remember, someone is always watching. This includes behavior at the parade, at rehearsals, and/or negative statements in any medium, i.e. the Member Forums, Google Groups or the Internet (RAMD, DCP, Facebook, Twitter, etc.). Your comments there reflect not just your thoughts – they are representative of the entire corps. Any Internet related issues may result in lost posting rights to these areas, or dismissal from the organization.
3. It is against CA State Law to have drugs or alcohol on school campuses. Since a majority of our practice facilities are located at/on school campuses, no Members will partake in drugs or alcohol at corps rehearsals, performances, in the parking lot, or at any other event at such location. Cigarettes are not allowed on school campus – you must leave campus to smoke (outer sidewalk is okay).
4. Members under 21 will not drink alcoholic beverages at any time, at any Renegades function.
5. Use of profanity, racial slurs, sexist remarks, blatant sexual remarks/innuendoes, or otherwise offensive language is not tolerated.
6. Fighting, physical and/or verbal altercations, and/or harassment of any kind are prohibited.
7. Handle all corps equipment and uniforms with extreme care. Each member is completely responsible for all equipment issued to them, including excessive damage beyond normal wear and tear. Members will be charged if equipment is not returned to the corps and/or not repaired. Members must return any and all equipment issued to them the night of the parade.
8. The Renegades are guests at schools and other facilities they use for rehearsals and on tour. Stay to assigned areas, clean up the grounds, and do not touch school or facility property without permission. It is important that everyone participates in keeping each facility orderly, and cleaner than arriving.
